Room Consolidation
Your room assignment is considered final for the duration of your contract. At times, Housing & Residence Life might need to change your assignment for reasons such as consolidating vacancies, student conduct, or irresolvable incompatibility of roommates.
If a vacancy occurs in your room, Housing & Residence Life will notify you of one of these possible outcomes:
1. A new resident will move into the room;
2. You will be asked to move into another under occupied room; or
3. You will remain in your room without a roommate until an acceptable roommate match comes available.

Room Change Policy
The residential experience provides you many opportunities to meet new people, develop relationships, and learn to live and communicate with a diverse group of people.

On occasion, roommate matches do not develop as intended and a resident wants to change roommates. In these cases, it is expected that every effort will be made by the individuals involved to resolve any conflict and seek harmony prior to a change of assignment. Residents are encouraged to speak with their Resident Assistant as soon as possible to begin this process.

When experiencing a roommate conflict, your Resident Assistant can help you decide if you should speak to your roommate privately or if a mediated conversation with your roommate would be helpful. This conversation between roommates most often resolves roommate conflicts. You should plan (or even schedule) a time about two weeks later to reconnect with your Resident Assistant to discuss things. If the issue persists, your Resident Assistant may suggest that you meet with the Resident Assistant Director. The Resident Assistant Director will determine the most appropriate next steps at that point.

Changing rooms without authorization from Housing & Residence Life is not permitted. There is a two (2) week hold on all room changes at the start and end of each quarter to allow Housing & Residence Life an opportunity to evaluate occupancy and identify spaces that may emerge between quarters.

If the Resident Assistant Director approves a room change, a $50 room change fee will apply.

School Breaks
Many residents choose to go home or travel during the period between quarters (2-3 weeks). If you have signed a housing contract for the upcoming quarter and choose to travel during the break, you may leave your belongings, at your own risk, in your room.

When you leave your room for break, it is important that you do the following:
- Unplug electrical appliances
- Remove all trash and recycling
- Dispose of all perishable food items
- Lock windows and close window blinds
- Be sure that your door is closed and locked
- Turn off faucets
- Submit any maintenance requests

If you are planning to take a vacation quarter, please contact housing@cityu.edu for information and options.

Health and Safety Inspections
Your health and safety is our top priority. Therefore, Housing & Residence Life will perform health and safety inspections for all residential rooms once each academic quarter.

The purpose of these inspections is to ensure that residential rooms are free from mold, insects, or other conditions which could be hazardous to the health of the community. Additionally, Housing & Residence Life will be looking for unreported maintenance and safety concerns, checking window latches, and smoke detectors.
If a residential room fails to meet health and safety standards, residents may be required to allow Cornish Commons maintenance or custodial teams into the room to bring it up to standard. In these instances, cleaning or maintenance fees may be assessed.

Residential rooms will be considered below health and safety standards if they are found to have:

- Mold, mildew, or other organic growth
- Dirty dishes, open food containers, or spoiled food
- Urine, feces, other bodily fluids on surfaces
- Excessive garbage
- Insects/bugs

**Contract Cancellation**

The housing contract is binding. You are responsible for paying all housing charges for the duration of the quarters selected on your Housing Contract.

The contract may be canceled during its term for the following reasons:

I. Completion of graduation requirements.

II. Withdrawal from the University for at least one quarter.

III. Ineligibility to continue enrollment due to failure to meet academic, student conduct, or other requirements.

In the event of such cancellation, you must notify Housing & Residence Life, in writing, to be eligible for a partial or full refund. To qualify, you must also properly check out of their room as explained in the procedures below.

---

**CHECK IN AND CHECK OUT PROCEDURES**

**Residence Hall Check In**

All residents must check in with Housing & Residence Life prior to moving into a new room.

When you check in you will receive:

- Your room key card (Cornish Commons ID)
- Your mailbox key

Within 72 hours of your arrival, your Resident Assistant (RA) will check in with you to complete your Room Condition Report (RCR). At this time, if you have noticed any damage within your room, please ask your RA to include it on the RCR. After you move out, the condition of your room will be compared to your move in RCR to determine if you are responsible for any damages.

**Residence Hall Check Out**

Prior to moving out, you must notify the Office of Housing & Residence Life by emailing housing@cityu.edu. Please include your name, room number, and the date you intend to move out of Cornish Commons.

All check outs will be treated as express check outs unless a standard check out is specifically requested. Standard check outs are only available Monday-Friday between 9am-5pm.
Express check out instructions:

- Remove all of your belongings from your room, clean your room, and check your mailbox.
- Return your Cornish Commons ID and mailbox key to the designated drop box at the Welcome Desk.
- A walkthrough of your room will be performed by the Resident Assistant Director during the first business day after you have moved out.
- Charges/fees based on damage to your room are not eligible for you to contest.

Standard check out instructions:

- Schedule a specific time (available Monday-Friday 9am-5pm) to check out by emailing housing@cityu.edu.
- Remove all of your belongings from your room, clean your room, and check your mailbox.
- At the arranged check out time, a City University of Seattle staff member will come to your room to perform a walkthrough and collect your Cornish Commons ID card and mailbox key.
- If you have not finished packing your belongings and cleaning your room at the arranged check out time, you will be treated as an express check out.

The purpose of a check out walkthrough is to evaluate the condition of your room compared to its condition when you moved in. Rooms should be clean, free of personal belongings, and furniture must be returned to a standard layout. If another student is remaining in the room, a reasonable effort must be made to clean the common spaces.

An improper move out fee of $150 will apply for any residents who move out without notifying Housing & Residence Life in writing. Additionally, a $35 fee will apply for residents who do not return their Cornish Commons ID and mail key.

It is recommended that you notify the United States Postal Service of your change of address.

RESIDENTIAL EXPECTATIONS & POLICIES
To ensure that Cornish Commons is conducive to academic and personal enrichment of all students, City University of Seattle and Cornish College of the Arts have established the following residence hall community policies, expectations, and guidelines. Violation of these established policies or policies included in the Student Code of Conduct may lead to discipline at the respective institution.

Housing & Residence Life staff, including Resident Assistants, Safety and Security, and other officials of CityU or Cornish College are authorized by the University to make requests regarding behavior and policy compliance.
If a staff member believes that a violation has or is taking place, staff may make requests of residents including (but not limited to) asking for identification, asking students to physically wait while information is being gathered, and requesting to enter a room.

Calm and respectful behavior with Housing & Residence Life staff is expected during any interaction. Compliance with directions of all University, residence hall, and other designated officials is required.

**Alcohol & Other Drugs**
Alcohol and empty alcohol containers are not permitted in the residence hall or on residence hall property.

Use, possession, manufacturing, or distribution of alcoholic beverages, being knowingly in the presence of alcohol, or public intoxication by a student is not permitted within the residence hall or on residence hall property.

Alcoholic beverages may not, in any circumstance, be used by, possessed by or distributed to any person under twenty-one (21) years of age.

Drugs (including paraphernalia) are not permitted in the residence hall or on residence hall property. Even though Washington State has legalized marijuana, City University of Seattle and Cornish College of the Arts must abide by federal law, which means that marijuana is considered an illegal drug.

Use, possession, manufacturing, purchasing, selling, distribution, or being knowingly in the presence of drugs or other controlled substances except as expressly permitted by law, or possession of drug paraphernalia by a student is not permitted.

City University of Seattle may notify parents/guardians of drug and alcohol violations.

If you have lost your Cornish Commons ID, please contact Safety and Security immediately (24 hours a day) so they can deactivate it and get a replacement. There is a $25 fee for a replacement ID card.

**Decorations**

Personalizing your room is encouraged. Please follow these guidelines when doing so.

- Do not put holes in the wall.
- Use only blue tape or 3M Command strips to hang decorations.
- Do not use any kind of tape on the floors.
- When moving furniture, lift it rather than dragging it to avoid damaging the carpet.
- When you place furniture against a wall, check to see that it will not rub/scrape the wall when in use.
- Smoke detectors cannot be covered and exits cannot be blocked.
- Waterbeds or other water filled furniture is not allowed.
- Small plants are permitted but large trees (including holiday trees) must be artificial.
- Any supplemental lighting such as lights on a string must be UL approved and low wattage. No more than 3 strings of lights per room.

Students may be asked to remove material from public view if it is considered offensive, obscene, or deemed a disruption to the community.

**Doors**

Building and room doors close and lock automatically. Never use an object to cover and or obstruct the door locking mechanism or peephole. Report any required maintenance to building or room door locks 24 hours a day to the RA on Call phone.

If you discover that any exterior door is propped open, close it or seek assistance from a staff member. Do not let strangers into the building. Opening the door for someone you do not know could compromise the safety and security of our building. Propping doors (interior or exterior), allowing access to an unknown person, forcing open a secured door, and tampering with door locks are not permitted. All residents and their guests must use the designated entrances and exits.

Before moving out, students are expected to return rooms to the same condition they were in upon move in.

Guests

Guests over the age of 18 are welcome at Cornish Commons and need to follow University and residence hall policies. The individual rights of a resident take precedence over another resident’s preference to host a guest in the room or building.

All guests must be signed in and must show a photo ID at the Welcome Desk. Guests must be escorted by their resident host at all times while visiting Cornish Commons. Guests may not be left unattended within a resident’s room. Resident hosts are responsible for the actions of their guests. In the event of a policy violation, Housing & Residence Life will require that the guest leave Cornish Commons. The University reserves the right to limit or revoke the guest privileges of a resident at any time.

If a resident wishes to have a late night (after 11:59pm) or overnight guest, they must obtain permission from their roommate and designate that the guest is a late night/overnight guest on the sign in log. Overnight guests are limited to three (3) consecutive nights within a two (2) week period. For safety reasons, residents are limited to two (2) overnight guests at a time. If any guest intends to stay longer than three nights, or if more than two overnight guests are visiting, written permission must be obtained at least one business day in advance from the Resident Assistant Director.
Residents are expected to maintain a safe and manageable capacity in their room at all times. Residential rooms at Cornish Commons should not exceed eight (8) persons at any time. This includes hosts, other residents, and guests.

**Kitchen**
The community kitchen on the 20th floor is available to residents 24 hours a day. It is important to keep the kitchen area free of food debris, trash, spilled water, and cardboard.

Food stored in the community kitchen should be labelled with the owners name and the date. Please do not eat food that does not belong to you. The refrigerator will be cleaned out twice a month to dispose of improperly stored food including food that is not properly labeled with an owner and date or food that is labeled, but is clearly spoiled.

Additionally, residents are responsible for keeping the 20th floor kitchen clean of trash, dishes, pots, pans and other items. Custodial staff will clean countertops and floors, but are not responsible for cleaning dishes or other messes left by residents. If residents are found to be disregarding these cleaning requests, fines may be assessed.

**Lamps**
Lamps that use compact fluorescent or incandescent light bulbs are okay to be used in residential rooms. Halogen lamps are not allowed. All lamps must have a UL label. Light bulbs must be 100 watts or less and must not exceed wattage limitations for the lamp.

EMERGENCY PROCEDURES

Fire
When instructed to do so by Cornish Commons staff and/or when a fire alarm sounds, you must evacuate your room.

1. Before exiting your room, assess that it is safe to do by feeling the door from top to bottom—if it is hot, do not open. Keep calm. If trapped in a room, do the following if possible:

   I. Place towels or clothing, preferably wet under the door to keep smoke out.
   II. Clear the window of blinds, attract attention. If you have a phone available call 911 to report that you are trapped; give your name and room number/specific location.
   III. Stay low; breathe fresh air near the ground.
   IV. Stay calm and await help.
   V. If the door is cool, crouch low and open door slowly. Close door quickly if smoke or fire is present.

2. If safe to do so, collect your Cornish Commons ID and proceed to the nearest stairwell using the Evacuation Map on your floor/location (example below). If you encounter heavy smoke in a stairwell, go back and seek an alternate route.

3. If the stairwell is safe, proceed quickly and calmly to the 1st floor lobby. Listen to and follow any instructions given to you by the alarm system, Cornish Commons staff, and the Seattle Fire Department.

   NEVER USE ELEVATORS DURING A FIRE EMERGENCY!

4. In the event that a full building evacuation must occur, you will be directed to exit the building and meet at the designated meeting area behind Cornish Commons (shown below).

5. Do not re-enter the residence hall until instructed by Safety & Security, Cornish Commons staff, or the Seattle Fire Department.
If you witness a fire, but do not hear an alarm:

1. Attempt to activate the building fire alarm located in the hallway.
2. For small fires, fire extinguishers are located in the hallway on every floor. To use an extinguisher, pull the pin, aim the nozzle at the base of the fire, squeeze the handle, and sweep the nozzle from side to side. **Only attempt to extinguish a fire if it is safe to do so.**
3. If the fire becomes unsafe, follow the evacuation procedures outlined above.

**Medical Emergency, Injury or Illness**

In the event of a medical emergency or serious injury or illness:

1. Call 911 (9-911 on campus phone).
2. Apply first aid if the situation warrants and you are trained to do so.
3. Call the RA on Call at 206.902.6371.
4. Stay at the scene and provide assistance to the ill and injured.
5. Follow the directions of emergency response personnel.

Under no circumstances should anyone other than trained emergency response teams transport a student or employee to the hospital for a medical or psychiatric emergency.
Earthquake

If **INSIDE** during the earthquake:

1. **Drop** (and **cover** and **hold on**). Protect yourself by dropping to the floor and taking cover under a desk, sturdy table, or similar piece of furniture. Hold on to the desk with one hand and cover your head with the other.
2. If taking cover under a sturdy piece of furniture is not possible, kneel near an interior wall (preferably a corner.) Stay on your knees, bend over to protect your internal organs, and cover your head and neck with both arms.
3. Stay away (and face away) from glass and other items on walls.
4. Do not leave cover until shaking has stopped.

After the shaking stops:

1. **DO NOT** use open flames (candles, matches, lighters).
2. Evacuate the building if it is safe to do so. Remember, additional shocks or tremors may occur. Watch for falling debris or electrical wires when leaving the building.

Emergency Closure

Under extraordinary circumstances, Cornish Commons may experience a partial, early or full closure. In these unlikely events, Housing & Residence Life staff will communicate all pertinent instructions. If questions arise, please contact Safety & Security at 206.726.5038.
