Professional Experience

My name is William Middlebrook and I teach online courses for City University of Seattle. I have a PhD in Education from Washington State University, an MBA in Finance from Ohio State University, and a BS in Business Administration from California State University in Los Angeles.

I was the Director of Finance and Operations at the Intercollegiate College of Nursing, Washington State University's College of Nursing in Spokane, Washington, for 16 years. Prior to that, I was an Internal Auditor at WSU's Pullman campus for 8 years.

In 2004 I became the Director of Finance for the Glen Eyrie Conference Center in Colorado Springs, CO. and in May of 2008 I left Glen Eyrie in order to be able to devote more time to teaching. In June of 2008 I was honored by being named as the recipient of the 2008 President's Distinguished Instructor award from City University's School of Management.
