Professional Experience

Mr. Mehdi Toobaei is an Associate Faculty and Course Designer at City University of Seattle. Mr. Toobaei has been teaching business, management, and statistics courses for many years in multiple institutions. In addition, he currently works as an Operation Manager at Mondelēz International (Nabisco), leading a team of over 300 employees. Prior to this role, Mr. Toobaei functioned as a Continuous Improvement Manager and Six Sigma Master Black Belt at Kraft Foods where he was able to lead several continuous improvement projects within Kraft supply chain network, achieving significant annual ongoing benefit. Mr. Toobaei holds a Bachelor's and Master's degree in Statistics and another Master's degree in

Engineering and Technology Management from Portland State University. He also possesses the following certificates: Project Management Professional (PMP), Lean Six Sigma Master Black Belt, Certified Quality Engineer (CQE), Change Agent Certification and Total Productive Maintenance (TPM). Mr. Toobaei's key objective involves sharing his academic and professional knowledge and experience with his students to primarily help them link theory to practice and become highly competent decision makers.
